

Volunteer Translators German into English and French

Role & Responsibilities

International Blue Cross (IBC) seeks for volunteers to support the development of our webpage in three languages, English, French and German. We would truly appreciate your support as a volunteer translator within next 4 months. You could offer us any time you have available. You can work from home or come to our office in Bern.

Organisation Overview

International Blue Cross is a non-governmental umbrella organisation that brings together 40 national organizations in Africa, Asia, Europe and Latin America. In addition to implementing international development and cooperation programmes, it is involved in alcohol policy lobbying with consultative status at the UN ECOSOC. The international team coordinates projects and advises our national partner organisations worldwide in the implementation and financing of the projects. The focus is on prevention of health related harm and social exclusion. IBC is Zewo certified and part of the cooperation network of Brot für alle.
