{ **POWER.CODERS** }

Powercoders is a non-profit organisation in Switzerland, founded 7 years ago in Bern. Our purpose is to promote equal opportunities for diverse talents in the IT industry. We offer programs throughout Switzerland. We are looking for a:

COMPANY RELATIONS ENABLER (60 – 80%)

Where: remote & Zürich / Bern
Starting: Ideally August 2024, but flexible

We are looking for a team member who likes to do the following:
 * Build and maintain business relations in the IT industry
 * Inspire companies with our mission and engage them to work with us
 * Organise events (career days where our participants meet companies)
 * Support talent-company-matching and a smooth job integration
 * Further develop a growing social start up that focuses on impact

And who:
* Can fully identify with our purpose
* Is open minded, proactive and persuasive
* Loves to take on ownership and to work in an agile team
* Possesses good communication & demonstrate leadership skills
* Likes to work on different projects/tasks simultaneously
* Has a business sense and a good network in Switzerland
* Ideally has an affinity for IT
* Fluency in German and English is a must, French is an advantage

Benefits of joining our team:
 * Role-based organization that values transparency and clarity over hierarchy
 * Purpose-driven mission with a large scope for development and creation
 * Remote-friendly work environment that offers flexibility and autonomy
 * We have flexible working hours and 5 weeks of holidays
 * Our team is a diverse bunch of creators who also like to have fun together

Please apply online until 7 June 2024.
